

MISSION:

Promoting healthy medical practices, collegiality, and the well-being of the public.

VISION:

A strong, interconnected community of physicians and physician assistants in Pierce County, advancing good health for residents, and healthy medical practices for physicians.

GOALS:

1. Advocacy

PCMS will be a strong and effective advocate for physicians and patients, promoting a robust physician profession as a valued partner in the continued evolution of the health care sector through meaningful interactions with state and federal government leaders.

2. Practice Success

PCMS will advance the success of the practice of medicine for physicians by offering education about innovations in the delivery of care, information about trends in health care policy, assistance in navigating changes to the payment system, opportunities for mentorship, and resources to achieve positive results in order to provide the best possible care for patients.

3. Community Engagement

PCMS will build and maintain coalitions with local government, health care providers, and community-based organizations to foster improved population health in Pierce County with physicians serving as a vital component in efforts to provide high quality care for all patients.

4. Collegiality

PCMS will provide a social networking structure for physicians, physician assistants, and medical residents in Pierce County to informally interact with each another in order to build relationships with professionals who are neighbors as well as colleagues facing similar opportunities and challenges as they care for patients each day.
