Key Contact for Pierce County Project Access (PCPA):

Name & Title: _____

Address: _____

Phone: _____ Email: _____

Name of Practice: _____

☐ Yes, I would like to participate in Pierce County Project Access and provide primary care for _____ uninsured, low-income patients **per year**. (suggested number of patients, 2-3)

Pierce County Project Access will:

- Continue enrollment of primary care patients until they obtain insurance or become ineligible for PCPA;
- Provide continual case management for each patient during their enrollment;
- Provide orientation of PCPA program to appropriate clinic staff (approximately 15 minute presentation);
- Be available via phone, email and fax to office staff to discuss status of program delivery or address any issues relating to customer service or the referral process.

By participating in Pierce County Project Access, I will:

- Provide care to Project Access patients in the same manner as non-Project Access patients by rendering all services normally and routinely provided;
- Designate one key contact in my office for PCPA (see above);
- Comply with all relevant rules and regulations associated with HIPAA;
- Submit standard HCFA 1500 to First Choice Health Network for accounting and reporting of donated services.
